

20 – 22.06.2023 | Dresden, Germany

# BUSINESS MISSION TO

The Ecosystem

# SILICON SAXONY

## Saxony - Europe's heart of microelectronics

- ◆ Saxony has unique concentration of companies and research institutions in the sectors of microelectronics and nanoelectronics, nanotechnology, organic & flexible electronics, energy-efficient systems, next generation communication, and smart systems
- ◆ about 80,000 employees active in microelectronics & ICT
- ◆ areas: development & manufacturing of integrated circuits (ICs), supply of materials and equipment, production and distribution of electronic products, development of software etc.

## Every third microchip produced in Europe is made in Saxony

- ◆ big chip manufacturers such as Infineon, GlobalFoundries, Bosch and X-FAB located in Saxony but also research institutions and SMEs active in that field supplying infrastructure, equipment, components, (automation) software & services

Meet innovative Silicon Saxony members @Silicon Saxony Day!

**Financial support & individual itinerary for SMEs & cluster organisations with the help of EXCITE**

Get to know the microelectronics region of Saxony, attend fruitful events, individual B2B meetings, and receive financial support of **415 €** for your trip.\*

\* This lump sum can be applied for European SMEs (members of clusters), scale-up organisations and clusters participating in the trips to Germany for three days minimum.

21.06.2023, 9:00 – 19:00, Dresden Airport

20-22.06.2023 – Business mission to Silicon Saxony Ecosystem, Germany

## ECOSYSTEM VISITS

- ◆ Possible visits facilitated by EXCITE on 20 & 21.06.2023 (Programme to be defined according to interests):
  - Infineon or X-FAB chip factory,
  - VW ID.3 Production & Future Mobility Incubator at Gläserne Manufaktur,
  - 5G Lab in Dresden,
  - Automation & Robotics companies
  - Smart Systems Hub – IoT Lab / EDIH
  - SpinLab Accelerator

**Attend Silicon Saxony Day to a reduced price of a SISAX member and expand your stay by visits of the ecosystem!**

20-22.06.2023 – Business mission to Silicon Saxony Ecosystem, Germany

## SILICON SAXONY DAYS

### Prices:

- ◆ **Early Bird ticket:** until 30.04.23
  - ◆ for SiSax Members and EXCITE Partners **329 Euro**
  - ◆ Non – members: 659 eur
- ◆ **Regular ticket:**
  - ◆ for SiSax Members and EXCITE Partners: **449 Euro**
  - ◆ for non-SiSax members: 879 eur
- ◆ Speakers/ Contributors/ Organising Committee/ Board/ Students: **free of charge**

**+ You receive a financial support of 415 € for your trip.\***

\* This lump sum can be applied for European SMEs (members of clusters), scale-up organisations and clusters participating in the trips to Germany for three days minimum Thanks to EXCITE & ClusterXchange
